Session Program

2–5 Feb 2026

The search for neutrinoless double-β decay: experimental and theoretical challenges

Session 12

ECT*, Aula Renzo Leonardi
Strada delle Tabarelle 286, I-38123 Villazzano (Trento)

Thursday 5 February

14:05

Session 12

Session | **Location:** ECT*, Aula Renzo Leonardi, Strada delle Tabarelle 286, I-38123 Villazzano (Trento) | **Convener:** Andrea Nava

14:05–14:45 **The worldwide quest for neutrinoless double beta decay - Outlook and vision**

Speaker
Karsten Heeger

14:45
