

# Emergent mass and its consequences in the Standard Model

## Thursday, 20 September 2018

**Chair: Stanislaw Glazek - Meeting room (09:00 - 12:30)**

**-Conveners: Stanislaw Glazek**

time	[id] title	presenter
09:00	[23] Insight to hadron mass generation from the nucleon resonance electroexcitation	MOKEEV, Victor
09:45	[24] QCD correlation functions from the FRG: results and applications	PAWLOWSKI, Jan M.
10:30	Coffee Break	
11:00	[25] Perturbative confinement	HOYER, Paul
11:45	[26] On propagators and vertices of Yang-Mills theory from their equations of motion	HUBER, Markus
