

**Advances On Giant Nuclear Monopole Excitations And Applications To
Multi-Messenger Astrophysics**

Contribution ID: 12

Type: **not specified**

**Investigating the Isoscalar Giant Monopole
Resonance in Ni-70 using the Active-Target
Time-Projection Chamber and S800 Spectrometer**

Tuesday, 12 July 2022 10:15 (45 minutes)

Presenter: AHN (ON-SITE), T.
