

# Radiative Corrections from medium to high energy experiments

## Monday, 18 July 2022

### Afternoon Session 1 - Aula Leonardi (13:30 - 17:00)

time	[id] title	presenter
13:30	[10] High-precision QED initial state corrections for $e^+e^- \rightarrow \gamma^* \square / Z^* \square$ annihilation	BLUEMLEIN, Johannes
14:15	[39] The Two Photon Exchange Experiment	CLINE, Ethan
15:00	Coffee	
15:30	[12] Spin effects and two-photon exchange in electron scattering below the second resonance region: an effective theory approach	GOITY, Jose
16:15	[13] Discussion	CLINE, Ethan
