

# LFC22: Strong interactions from QCD to new strong dynamics at LHC and Future Colliders

Contribution ID: 14

Type: **not specified**

## Overview of results on heavy-ion physics

*Tuesday, 30 August 2022 09:30 (40 minutes)*

**Presenter:** CALIVÀ, Alberto (Dipartimento di Fisica "E.R.Caianiello", University of Salerno and INFN)

**Session Classification:** Quantum Chromodynamics
