

**LFC22: Strong interactions from QCD to new strong dynamics at LHC and  
Future Colliders**

Contribution ID: 30

Type: **not specified**

**Resummation of large electroweak terms for indirect  
Dark Matter detection**

*Thursday, 1 September 2022 09:30 (45 minutes)*

**Presenter:** VOLLMANN, Martin

**Session Classification:** EWSB and BSM
