

LFC22: Strong interactions from QCD to new strong dynamics at LHC and
Future Colliders

Contribution ID: 37

Type: **not specified**

**Enabling online selection of rare events at LHC with
Deep Neural Networks**

Thursday, 1 September 2022 17:00 (30 minutes)

Presenter: MASCIONE, Daniela (University of Trento and Fondazione Bruno Kessler)

Session Classification: EWSB and BSM
