

# LFC22: Strong interactions from QCD to new strong dynamics at LHC and Future Colliders

## Wednesday, 31 August 2022

### Top Quark Physics - Aula Leonardi (09:30 - 11:00)

-Conveners: Francesco Tramontano

time	[id] title	presenter
09:30	[25] Top physics at the LHC and beyond	ASBAH, Nedaa-Alexandra
10:00	[26] Weighing the top with energy correlators	PROCURA, Massimiliano
10:30	[27] Non-factorisable contribution in t-channel single top production	SIGNORILE-SIGNORILE, Chiara

### Top Quark Physics - Aula Leonardi (11:30 - 12:30)

-Conveners: Francesco Tramontano

time	[id] title	presenter
11:30	[28] Entanglement in SMEFT: top-quark pair case	AOUDE, Rafael
12:00	[29] Top and heavy quark physics at future high energy electron-positron colliders	PÖSCHL, Roman
