In the Google Maps map, the three workshop hotels and closer bus stops are marked, together with the workshop venue, ECT*. Please click on each stop to check recommended bus routes from hotels to ECT*.

All hotels are at walking distance from Trento train station.

Bus tickets can be directly bought from bus drivers. However, please note that tickets can only be paid in cash and that, typically, drivers will only accept coins or the note immediately above the bus ticket cost (one-way tickets cost around 2€, so typically only 5€ notes might be accepted).

From “Piazza Dante Stazione FS” stop:

Take bus number 13 direction “Povo Polo Sociale Cap.” and stop in “Villazzano Villa Tambosi” (22 minutes).

From “Gazzoletti Piazza Dante” stop:

Take bus number 6 direction “Grotta Piazza” and stop in “Villazzano Villa Tambosi” (17 minutes).

There is an **alternative route**, from stops “Piazza Dante Stazione FS”, “Segantini Dogana” or “Via Segantini / Centa”, from which the bus number 3 direction “Conci Villazzano 3” can be taken, to stop in “Conci De Riccabona” (around 18 minutes). However, this route involves a 6-10 minute walk from “Conci De Riccabona” to “ECT* - European Center for Theoretical Studies in Nuclear Physics and Related Areas”, Str. delle Tabarelle, 286, 38123 Villazzano. This route is less recommended. However, if you take it, please follow carefully the Google Maps indications on how to reach ECT* by foot.
