

From Hadrons to Therapy: Fundamental Physics Driving New Medical Advances

Tuesday, 6 September 2022

Research on targeted radionuclide therapy and associated technologies - Aula Leonardi (14:00 - 15:20)

-Conveners: Valeria Conte

time	[id] title	presenter
14:00	[24] Boron Neutron Capture Therapy, a form of hadrontherapy mediated by neutrons	BORTOLUSSI, Silva
14:40	[18] Production of alpha emitters for cancer therapy	HOEHR, Cornelia
