

# From Hadrons to Therapy: Fundamental Physics Driving New Medical Advances

## Wednesday, 7 September 2022

**Advanced devices to measure energy deposition at the micro- and nanoscales - Aula Leonardi (11:00 - 12:20)**

-Conveners: Emanuele Scifoni

time	[id] title	presenter
11:00	[10] Silicon-on-insulator microdosimetry: new domain of quality assurance in particle therapy	ROSENFELD, Anatoly
11:40	[20] Microdosimetry with mini-TEPC in hadrotherapy	CONTE, Valeria
