

# From Hadrons to Therapy: Fundamental Physics Driving New Medical Advances

## Thursday 8 September 2022

**Enhancing radiotherapy by means of nanotechnology - Aula Leonardi (14:00 - 15:20)**

-Conveners: Jefferson Shinpaugh

time	[id] title	presenter
14:00	[25] Contrast-enhanced synchrotron radiation therapy: From bench to bedside	ELLEAUME, H�el�ene
14:40	[11] High Z-elements and low energy radiation to improve efficacy of radiotherapy: mechanistic aspects	RAVANAT, Jean-Luc
