

# From Hadrons to Therapy: Fundamental Physics Driving New Medical Advances

## Friday, 9 September 2022

**Practical and clinical aspects of radiotherapy - Aula Leonardi (09:00 - 10:05)**

-Conveners: Francesco Tommasino

time	[id] title	presenter
09:00	[39] Proton imaging for hadrontherapy: status and prospects	DEDES, George
09:40	[36] Proton therapy x-ray CT calibration by proton tomography	FOGAZZI, Elena
