

Giant and soft modes of excitation in nuclear structure and astrophysics

Monday, 24 October 2022

Morning Session 1: Chair: T.B.A. - Aula "Renzo Leonardi" (08:30 - 12:35)

time	[id] title	presenter
08:30	Registration	
08:50	[18] Welcome and Opening	LITVINOVA, Elena LENSKE, Horst
09:00	[16] Pygmy or not Pygmy - an experimentalist's point of view	ZILGES, Andreas
09:45	Discussion	
10:00	Welcome Address by the Director of ECT*	
10:05	[4] A short review on Pygmy Resonances: open problems	LANZA, Edoardo G.
10:50	Discussion	
11:05	Coffe Break	
11:35	[9] Beyond mean field study of Giant resonances with tensor interaction	SAGAWA, Hiroyuki
12:20	Discussion
