

# Giant and soft modes of excitation in nuclear structure and astrophysics

## Wednesday, 26 October 2022

**Morning session 3: Chair: T.B.A. - Aula "Renzo Leonardi" (09:00 - 12:15)**

time	[id] title	presenter
09:00	[12] Electric dipole response of nuclei studied by proton scattering	TAMII, Atsushi
09:45	Discussion	
10:00	[2] Heavy ion double charge exchange reactions and their role in probing double beta decay nuclear matrix elements	BELLONE, Jessica
10:45	Discussion	
11:00	Coffee break	
11:30	[27] Evolution of the Pygmy Dipole Resonance in Sn Isotopes	MARKOVA, Maria
12:05	Discussion
