

# Giant and soft modes of excitation in nuclear structure and astrophysics

## Thursday, 27 October 2022

### Afternoon Session 4 - Aula "Renzo Leonardi" (14:00 - 16:30)

time	[id] title	presenter
14:00	[34] Study of dipole resonances with ab initio interactions	FROSINI, Mikael
14:45	Discussion	
15:00	[3] Recent studies on the dipole excitations within the Subtracted Second RPA	GAMBACURTA, Danilo
15:45	Discussion	
16:00	Coffee break
