

Giant and soft modes of excitation in nuclear structure and astrophysics

Friday, 28 October 2022

Morning Session 5 - Aula "Renzo Leonardi" (09:00 - 12:15)

time	[id] title	presenter
09:00	[11] Accessing the single-particle structure of the PDR	SPIEKER, Mark-Christoph
09:45	Discussion	
10:00	[15] Particle-vibration coupling effect on dipole strength function at finite temperature in the covariant density functional theory framework	WIBOWO, Herlik
10:45	Discussion	
11:00	Coffee break	
11:30	[35] Closing remarks	LITVINOVA, Elena LENSKE, Horst
