

Key Reactions in Nuclear Astrophysics

Thursday, 15 December 2022

Morning Session -2: Chairman: Gianluca Pizzone - Sala Leonardi (11:20 - 12:40)

time	[id] title	presenter
11:20	[9] Key reaction studies for s-process in massive stars using transfer reactions	HAMMACHE, Fairouz
12:00	[6] Neutron-induced reactions using the TexAT TPC: neutron inelastic upscattering in ^{12}C	BISHOP, Jack
