

Holographic perspectives on chiral transport

Monday, 13 March 2023

Holography for chiral effects - I - Aula Renzo Leonardi (15:40 - 16:40)

-Conveners: Matthias Kaminski

time	[id] title	presenter
15:40	[5] Thermodynamics and hydrodynamics in the holographic Stückelberg model	MEGIAS, Eugenio
16:00	[4] The butterfly effect in a holographic chiral system	ABBASI, Navid
16:20	[6] Discussion
