

Holographic perspectives on chiral transport

Tuesday, 14 March 2023

Quarks and baryons in QGP and neutron stars - Aula Renzo Leonardi (11:30 - 12:30)

-Conveners: Kenji Fukushima

time	[id] title	presenter
11:30	[9] Studying quark anti-quark pairs in the initial state as a background for the CME	NORONHA-HOSTLER, Jacquelyn
11:50	[10] Baryons in the V-QCD holographic model	NITTI, Francesco
12:10	[11] Discussion
