

Holographic perspectives on chiral transport

Tuesday, 14 March 2023

Neutron stars I - Aula Renzo Leonardi (14:00 - 15:00)

-Conveners: Martin Ammon

time	[id] title	presenter
14:00	[12] Transport of unpaired quark matter in neutron star densities	JOKELA, Niko
14:20	[13] Holographic analysis of Quasinormal modes at large density in QCD	CRUZ, Jesus
14:40	[14] Discussion
