

Precision tests of fundamental physics with light mesons

Tuesday, 13 June 2023

Prospects for Future Studies - Aula Renzo Leonardi (09:00 - 10:45)

time	[id] title	presenter
09:00	[3] Hadron spectroscopy at intensity frontier	BATTAGLIERI, Marco
09:35	[24] Prospects for studies of production, decays and structure of light mesons with HADES	CIEPAŁ, Izabela
10:10	[41] Meson Decay Studies at EIC	Dr PILLONI, Alessandro
