

Strongly interacting matter in extreme magnetic fields

Monday, 25 September 2023

Phase diagram - Aula Renzo Leonardi (14:30 - 16:30)

time	[id] title	presenter
14:30	[10] Magnetic catalysis and inverse magnetic catalysis	ANDERSEN, Jens Oluf
15:00	[11] The QCD phase diagram in strong magnetic fields	MENEZES, Debora
15:30	[12] The role of quark anomalous magnetic moment in magnetized quark matter	TAVARES, William Rafael
16:00	Coffee break
