

# Critical stability of few-body quantum systems

## Friday 27 October 2023

**Friday morning: Friday morning - Aula Renzo Leonardi (09:00 - 14:45)**

time	[id] title	presenter
09:00	[33] Abnormal solutions of Bethe-Salpeter equation	CARBONELL, Jaume
09:45	[34] Multiquark states containing heavy quarks	RICHARD, Jean-Marc
10:30	Coffe Break	
11:00	[35] The alpha particle monopole form factor	BACCA, Sonia
11:45	[36] Probing the structure of low-lying states of light nuclei using proton beam	MAZUMDAR, Indranil
12:30	Concluding remarks	
12:45	LUNCH
