

Synergies between LHC and EIC for quarkonium physics

Monday, July 8, 2024

Morning 1 - Aula Renzo Leonardi (9:00 AM - 12:30 PM)

time	[id] title	presenter
9:00 AM	[57] Welcome address	
9:30 AM	[1] Experimental review on quarkonium production at the LHC	KARTVELISHVILI, Vato
10:00 AM	[2] Legacy of HERA: Quarkonium production at ZEUS and H1	BRUNI, Alessia
10:30 AM	Coffee break	
11:00 AM	[3] Theory review of quarkonium production	LANSBERG, Jean-Philippe
11:30 AM	[5] NLO inclusive J/ψ photoproduction at large p_T from HERA to the EIC	YEDELKINA, Yelyzaveta
12:00 PM	[4] Advance in potential-NQRCD studies for quarkonium production	WANG, Xiangpeng
