

Session Program

17–21 Feb 2025

Key Reactions in Nuclear Astrophysics

Federica Ercolano, "Feasibility study of alpha scattering on ^{24}Mg in the energy range of astrophysical interest"

ECT*, Aula Renzo Leonardi
Strada delle Tabarelle 286, I-38123 Villazzano (Trento)

Tuesday 18 February

12:40
|
13:00

Federica Ercolano, "Feasibility study of alpha scattering on ^{24}Mg in the energy range of astrophysical interest"

Session | Location: ECT*, Aula Renzo Leonardi, Strada delle Tabarelle 286, I-38123 Villazzano (Trento)
