

Session Program

17–21 Feb 2025

Key Reactions in Nuclear Astrophysics

***Matthew Williams, “Reaction studies with radioactive beams
for heavy element nucleosynthesis”***

ECT*, Aula Renzo Leonardi
Strada delle Tabarelle 286, I-38123 Villazzano (Trento)

Thursday 20 February

15:50

16:30

Matthew Williams, "Reaction studies with radioactive beams for heavy element nucleosynthesis"

Session | Location: ECT*, Aula Renzo Leonardi, Strada delle Tabarelle 286, I-38123 Villazzano (Trento)
