

Session Program

17–21 Feb 2025

Key Reactions in Nuclear Astrophysics

David Mascali, “Probing nuclear beta decays of astrophysical interest in laboratory plasmas”

ECT*, Aula Renzo Leonardi
Strada delle Tabarelle 286, I-38123 Villazzano (Trento)

Thursday 20 February

16:30

17:10

David Mascali, “Probing nuclear beta decays of astrophysical interest in laboratory plasmas”

Session | Location: ECT*, Aula Renzo Leonardi, Strada delle Tabarelle 286, I-38123 Villazzano (Trento)
