

Session Program

9–11 Dec 2025

QCSC workshop 2025

Federico Dell'Anna: New solutions to the maximum independent set via probabilistic and quantum cellular automata

ECT*, Aula Renzo Leonardi
Strada delle Tabarelle 286, I-38123 Villazzano (Trento)

Tuesday 9 December

17:00

Federico Dell'Anna: New solutions to the maximum independent set via probabilistic and quantum cellular automata

Session | Location: ECT*, Aula Renzo Leonardi, Strada delle Tabarelle 286, I-38123 Villazzano (Trento)

17:00–17:20

New solutions to the maximum independent set via probabilistic and quantum cellular automata

Speaker

Federico Dell'Anna

17:20
