

Session Program

9–11 Dec 2025

QCSC workshop 2025

Fabio Tarocco: Tackling photodynamic therapy oriented photosensitizers with quantum computers: AEGISS method for selecting chemically meaningful active-spaces

ECT*, Aula Renzo Leonardi
Strada delle Tabarelle 286, I-38123 Villazzano (Trento)

Wednesday 10 December

14:50

Fabio Tarocco: Tackling photodynamic therapy oriented photosensitizes with quantum computers: AEGISS method for selecting chemically meaningful active-spaces

Session | **Location:** ECT*, Aula Renzo Leonardi, Strada delle Tabarelle 286, I-38123 Villazzano (Trento)

14:50–15:10

Tackling photodynamic therapy oriented photosensitizes with quantum computers: AEGISS method for selecting chemically meaningful active-spaces

Speaker

Fabio Tarocco

15:10
