

Session Program

9–11 Dec 2025

QCSC workshop 2025

Carlo Sias: Two-dimensional Coulomb crystals: from structural transitions to quantum interfaces

ECT*, Aula Renzo Leonardi
Strada delle Tabarelle 286, I-38123 Villazzano (Trento)

Thursday 11 December

14:00

Carlo Sias: Two-dimensional Coulomb crystals: from structural transitions to quantum interfaces

Session | **Location:** ECT*, Aula Renzo Leonardi, Strada delle Tabarelle 286, I-38123 Villazzano (Trento)

14:50

14:00–14:50

Two-dimensional Coulomb crystals: from structural transitions to quantum interfacesTBA

Speaker

Carlo Sias
