

Electromagnetic Radiation from Hot and Dense Hadronic Matter

Thursday, 29 November 2018

Chair: Wolfgang Cassing - Meeting room (09:00 - 10:30)

time	[id] title	presenter
09:00	[21] ALICE dielectron analysis in 13 TeV pp collisions	JUNG, Jerome
09:30	[22] Study of direct photon production at increasing energies of heavy ion collisions	DASGUPTA, Pingal
10:00	[23] Thermal rates from the hadron gas and emission from the late dilute stages	SCHÄFER, Anna
