

Electromagnetic Radiation from Hot and Dense Hadronic Matter

Thursday, 29 November 2018

Chair: Hans Joachim Specht - Meeting room (14:00 - 16:00)

time	[id] title	presenter
14:00	[26] Dilepton production and resonance properties within a new hadronic transport approach	STAUDENMAIER, Jan
14:30	[27] Photons in unstable quark-gluon plasma	HAUKSSON, Sigtryggur
15:00	[28] Filled and missing pieces in direct photon measurements in heavy ion collisions	SAKAGUCHI, Takao
