

Challenges to Transport Theory for Heavy-Ion Collisions

Wednesday, 22 May 2019

Session: Parton transport, quantum effects - Meeting room (14:30 - 17:40)

time	[id] title	presenter
14:30	[30] Parton transport	GRECO, Vincenzo
15:10	[31] Hybrid transport calculations	BLEICHER, Marcus
15:50	coffee	
16:20	[32] Description of strongly interacting nuclear matter within a microscopic off-shell transport approach	BRATKOVSKAYA, Elena
17:00	[33] Quantum and stochastic effects in transport	LIN, Hao
17:20	[34] Nuclear collective dynamics in the lattice Hamiltonian method	WANG, Rui
