

Challenges to Transport Theory for Heavy-Ion Collisions

Thursday, 23 May 2019

Session: Information from astrophysics - Meeting room (14:30 - 17:20)

time	[id] title	presenter
14:30	[45] Deductions on the EoS from neutron star mergers	BAUSWEIN, Andreas
15:10	[46] Constraints on the EoS from HICs and GW events	BURGIO, Fiorella
15:50	coffee	
16:20	[47] Light clusters and pasta phases	PROVIDÊNCIA, Constança
17:00	[48] Insights on the EoS parameters from GW170817	TSANG, Chun Yuen
