

Light clusters in nuclei and nuclear matter: Nuclear structure and decay,
heavy ion collisions, and astrophysics

Contribution ID: 7

Type: **not specified**

**Investigation of the $^{14}\text{C} + \alpha$ molecular configuration
in ^{18}O by means of transfer and sequential decay
reaction**

Monday, 2 September 2019 16:30 (30 minutes)

Presenter: HAN, Jiaying
