Machine Learning for High Energy Physics, on and off the Lattice

Tuesday, 28 September 2021

Session 3 - Aula Renzo Leonardi (10:00 - 11:40)

time	[id] title	presenter
10:00	[7] Differentiable programming for fundamental physics research: status and perspectives	DORIGO, Tommaso
10:50	[6] Critical temperature from unsupervised deep learning autoencoders	Dr PAUL, Srijit
