

Spontaneous and induced fission of very heavy and super-heavy nuclei

Wednesday, 11 April 2018

Session 8: Use of RIBs - Meeting room (14:30 - 17:40)

-Conveners: Michael Block

time	[id] title	presenter
14:30	[19] Contributions to the science program at the SHE Factory and SPES	RYKACZEWSKI, Krzysztof
15:20	[20] Radioactive ion beams for the fission study of the heaviest neutron-rich nuclei	TER-AKOPIAN, Gurgen
16:10	Coffee Break	
16:30	[21] Secondary heavy ion beams as a tool for investigation of fusion mechanism	CHUBARIAN , Greg
