

**Session Program**

22–23 Jun 2021

# **Key Reactions in Nuclear Astrophysics**

## ***Astrophysical Environments***

ECT\* - Trento, Virtual  
Zoom Platform

## Tuesday 22 June

14:45

### Astrophysical Environments

Session | Location: ECT\* - Trento, Virtual, Zoom Platform | Convener: Dr Spartà Roberta

14:50–15:20

#### Evolution and nucleosynthesis of massive stars

**Speaker**

Alessandro Chieffi

15:20–15:50

#### He burning reactions in low mass stars

**Speaker**

Scilla Degl'Innocenti

15:50
