

**Session Program**

22–23 Jun 2021

## **Key Reactions in Nuclear Astrophysics**

### ***Aspects of Astrophysical Sources***

ECT\* - Trento, Virtual  
Zoom Platform

# Wednesday 23 June

17:05

## Aspects of Astrophysical Sources

Session | Location: ECT\* - Trento, Virtual, Zoom Platform | Convener: Luca Boccioli

17:15-17:45 **Nucleosynthesis of heavy nuclei in core-collapse supernova neutrino-driven winds**

**Speaker**

Jorge Pereira

17:45-18:05 **Sensitivity of the Observed Kilonova Signal to Nuclear Physics**

**Speaker**

Kelsey Lund

18:05-18:15 **Discussion**

18:15
