

**LFC21: Strong Interactions from QCD to New Strong Dynamics at LHC and Future Colliders**

Contribution ID: 6

Type: **not specified**

**Theoretical predictions for the muon  $g-2$  : the important role of hadronic contributions**

*Tuesday, 7 September 2021 11:30 (1h 30m)*

**Presenter:** GERARDINE, Antoine

**Session Classification:** QCD from present to future colliders
