

Session Program

6-10 Sept 2021

**LFC21: Strong Interactions from QCD to New Strong
Dynamics at LHC and Future Colliders**

QCD from present to future colliders

ECT* - Trento, online
Zoom Platform

Tuesday 7 September

10:00

QCD from present to future colliders

Session | Location: ECT* - Trento, online, Zoom Platform | Conveners: Giancarlo Ferrera, Roberto Tenchini

10:00–11:30 **Precise QCD measurements from LHC to future colliders**

Speaker
Stefano Camarda

11:30–13:00 **Theoretical predictions for the muon $g-2$: the important role of hadronic contributions**

Speaker
Antoine Gerardine

13:00–14:00 **Lunch Break**

14:00–15:00 **Gather Town**

15:00–16:30 **Soft-gluon effective coupling**

Speaker
Daniel De Florian

17:00
