

## **Session Program**

6–10 Sept 2021

# **LFC21: Strong Interactions from QCD to New Strong Dynamics at LHC and Future Colliders**

***Top-quark physics from present to future colliders***

ECT\* - Trento, online  
Zoom Platform

# Wednesday 8 September

10:00  
15:00

Top-quark physics from present to future colliders	
Session   Location: ECT* - Trento, online, Zoom Platform   Convener: Francesco Tramontano	
10:00–11:30	<b>Top-quark physics at future colliders</b>  Speaker Philipp Roloff
11:30–13:00	<b>Top quark production at LHC and beyond</b>  Speaker Massimiliano Grazzini
13:00–15:00	<b>Lunch Break</b>
